

## The Biblical Heart

For over sixty years it has been the role of the Latimer Fellowship of NZ (and its predecessor, the Evangelical Churchmen's Fellowship) to promote and protect the biblical heart of the authority, doctrine, ministry and mission of our Church. It has a record of offering thoughtful, positive, scholarly, biblical ministry to the Church.

## Quality Ministry

Over these years the Fellowship has offered quality ministry and positive leadership. People have benefited and personal ministries enhanced by the addresses of its visiting lecturers, by the articles in its publications and in recent years, the National Conference.

## National Network

Latimer has a national network of concerned orthodox Anglicans in every diocese. It has built up a base from which to offer its ministry to the whole Church.

## Grandchildren

Most of us have grandchildren for whose future spiritual well-being we have a deep concern.

## The Anglican Church

We want to ensure that there will be an Anglican Church in the years to come that will nurture people and their children soundly in the ways of Christ.

## Where there's a Will, there's a Way

Previous benefactors have served Latimer well in laying its foundation. However, its resources are limited, more could and needs to be done.

There will be those among us who are pondering how, whatever wealth or possessions God has blessed us with, can be put to best use after our days on earth are ended.

**One suggestion worthy of consideration could be writing into your Will a bequest to the Latimer Fellowship, for its 'general purposes' thereby helping to provide for and strengthen the future work and ministry of the Latimer Fellowship.**

## 2 Corinthians 9:7

*Each of you must give as you have made up your mind, not reluctantly or under compulsion, for God loves a cheerful giver.*
